TRANSPORT GUIDELINES – 07.2020 - Version 028
Transport control of purchase deliveries – Imports from France

Ladies and Gentlemen,

The following conditions apply for goods specified in supplier conditions as „EXW / FCA“.

GENERALLY:

Please note that,

- *Our order number must be noted* in the transport documents.
- Transport costs billed per invoice will not be accepted.
- For shipments classified as EXW or FCA the forwarder needs to get the ORGID of the ordering Siemens entity and the SOR (“Siemens Organizational Reference”; e.g. the cost center) for his freight invoices.

For shipments containing dangerous goods you are responsible to transfer the necessary legally required dangerous goods data to the freight forwarder when placing the order. You are also responsible for packing, marking, labelling etc. in compliance with the regulation relevant to the used transport mode(s).

CAUTION:

If delivery is NOT from your country, please get instruction from us when choosing the appropriate service provider.

If this rule is not observed, the additional freight and administrative costs will be billed.
